Small blemishes

The zero tolerance solution for blemish – free, clear skin.

	<p>PÂTE GRISE Purifying care</p>
	<p>Actions / benefits: This is the ideal treatment for spots, helping them to disappear by bringing the impurities quickly to the surface and to maturity. It speeds up the maturing process by up to 3 days, meaning the skin regains a blemish-free clarity quickly. The key ingredient, Ichthyol Pale or Shale Extract, has a strong soothing and anti-bacterial power and helps to slow down oil production. It also draws impurities to the surface of the skin. 15ml tube.</p>
	<p>Directions for use: Apply in the evening on painful and red spots, after having carefully cleansed and toned the skin using TONIQUE PURIFIANT and treating with CRÈME PURIFIANT. Use for 2 - 3 days, or until the spot has matured, then replace with Spécial 5 to quickly heal the blemish. Use the Stick Couvrant Purifiant during the day to heal and hide spots.</p>

	<p>SPÉCIALE 5 Drying and purifying gel</p>
	<p>Actions / benefits: SPÉCIALE 5 is a light lotion with Tea Tree Essential Oil which dries, purifies, disinfects and heals each imperfection once they have developed into spots, to make them disappear more quickly. The face is deeply cleansed and rid of its impurities. The skin is left clear and blemish free, with little risk of scarring. 100ml bottle.</p>
	<p>Directions for use: Apply in the evening for 2 – 3 nights after having carefully cleansed and toned the skin. Use after CRÈME PURIFIANTE for maximum efficiency. SPECIAL 5 should always be used after drawing out impurities with PATE GRISE for 2 – 3 nights.</p>
