GOMMAGE DOUCEUR

Scrubbing cream – facial exfoliator

Actions / benefits:

Incorporated in a silky-smooth cream, perfectly polished micro-granules gradually release softening **Jojoba oil** that works in synergy with **Pineapple Extract** to eliminate surface dead cells and smooth your face. **Allantoin** calms irritations and soothes. It also helps prevent ageing, stimulates the circulation and oil production. Thoroughly cleansed, your skin absorbs treatment creams and serums better, suppleness is restored and your complexion is luminous and radiant. Suitable for all skin types, even fragile. 75ml tube

Directions for use:

Once or twice a week after cleansing, apply over the face and neck. Exfoliate gently using circular movements, avoiding the eye contour area, until the micro-granules burst. Rinse off and follow with toner and then the Masque Clarifiant.
